

Triple P Positive Parenting Seminars Virtually

Is this you? Most of the time, parenting is great fun. You know you are doing a good job, but there are times when things get a little tricky.

Like when your toddler won't eat her dinner or you six year old won't pick up his toys. Maybe your child never seems to listen. If only someone could give you some ideas to make those times easier!

If this sounds like you, then Triple P Seminars may be for you.

Triple P can help you:

- Become confident as a parent
- Take care of yourself
- Be realistic about parenting
- Encourage behavior you like
- Deal with problem behavior
