

Free Child Care Foundational Trainings for Early Childhood Professionals

Fundamentals of Infant and Toddler Care

This course will prepare participants to be successful working with infants and toddlers in a child care setting. This will be done by thoroughly exploring the topics of: Professionalism; Growth and Development from Birth to 2 years; Licensing Regulations; Environments and Routines; Planning Age Appropriate Curriculum; Health & Safety; Child Guidance; and Professional Communication.

When: Weekly on Wednesdays from July 13th - August 17th, 2022

Time: 6:30pm—8:30pm*

Where: Virtual via Zoom

**This course has a homework component. You will have approximately one hour of independent study/homework between sessions. Attendance is required.*
