

Fundamentals of Infant & Toddler Care

Revised in 2024, this Child Care Foundational Training provides foundational knowledge and skills training for individuals as they begin, or consider, a career in caring for children.

Content includes exploring a variety of early care and education settings, including group and family child care. Learners explore rules and regulations governing group and family child care and the responsibilities of early care and education professionals.

Practices and strategies will be explored to reflect the diverse needs of children and families in Wisconsin.
